Commercial Usage Instructions for Sales Managers

- Upsell Friction Removal:** When closing a Web Build (Pillar 1), add **GIG-016 (Server CAPI - EGP 4,600)** or **GIG-001 (Speed Opt - EGP 5,750)** to instantly increase order value by EGP 5,000–10,000 while offering immediate client value.
- Instant Commission Clearance:** Sales closers earn **15% Closer Fee** on all mini-gigs, cleared immediately upon client payment.
- 100% Upfront Term:** Standalone mini-gigs are paid 100% upfront before work initiation.
